

## **The essential metaphysics of** *A Course in Miracles*

**Without understanding the non-dual metaphysics of A Course in Miracles it is impossible to apply the workbook lessons that will change your mind and the way you see the world.**

**In this series of 4 classes you will learn what the course means by “mind training”, how to integrate the metaphysics into your life, the significance of accepting you are a mind, how to use the mind on behalf of awakening.**

**We will consider the benefits of making this momentous decision and address the fears that arise in the process.**

**The purpose of offering this class is to present A Course in Miracles as a path to inner peace so that you can decide if it is right one for you.**

**This is an ideal class for beginners and ongoing students who want to review the metaphysics.**
